The 57th Bob Robson Memorial

Tuesday 25th of April 2017

Supported by

The Robson Family

The Bob Robson Memorial Criterium was first staged in 1960 in memory of Williamstown identity, the late Mr. Bob Robson who was a foundation member of the Williamstown RSL and the Williamstown and Newport District Cycling Club.

These two clubs joined annually on ANZAC Day to stage this memorial race until 1975 when the Williamstown club merged with the Footscray club.

Since that year the Footscray Cycling Club has continued the tradition by conducting the race. This year marks the first year that the Bob Robson Memorial will include an Open Women's Race.

*They shall not grow old, As we that are left grow old,
Age shall not weary them, Nor the years condemn.
At the going down of the sun, And in the morning,
We will remember them.*

Lest We Forget
